[Verse 2]

Gotta gotta gotta  
I'm not the one to  
Take on the gentle  
Yeah, yeah

Gotta gotta gotta

Walk straight on  
Streets painted white

But I'm not the one  
Drowning horses at the liquor store

[Solo]

[Bridge]  
Gotta gotta gotta  
He drowns his horses at the liquor store  
And then he comes home begging for more  
But I'm not the one  
But I'm not the one, no

Gotta gotta gotta  
He drowns his horses at the liquor store  
And then he comes home begging for more  
But I'm not the one  
Drowning horses at the liquor store

[Chorus]  
Oh well  
Yeah well  
Oh well  
No I'm not the one  
Drowning horses at the liquor store

Oh well  
Yeah well  
Oh well
