The Luck Has Gone

Circa Waves

I was only asking
If you'd walk with me tonight
But we put it past the cast and the straight line for a smileDid I leave this too long now
Did I tie my tie too late?
But I got no time on my hands
But I got a lot on my plateSo forget it you got a lot to learn
You got a lot to learn
The luck has gone and it left me
So I wait my turn
Yeah I wait my turn
Shake me up and take me
For everything you see
'Cause Friday night will break me
If it leaves me in one pieceSo did I leave it too long now
Did I tie my tie too late?
And I'm a million miles away
From the things I'd like to saySo forget it you got a lot to learn
You got a lot to learn
The luck has gone and it left me
So I wait my turn
Yeah I wait my turn
So forget it you got a lot to learn
You got a lot to learn
The luck has gone and it left me
So I wait my turn
Yeah I wait my turn
