

He Sees What We Don't

11th Hour

...

There are times in this life
When fear is so heavy;
And, burdens weigh on your mind.
You are weak in the knee
And no strength can you find;
But, just hold on,
Help's right on time.
My Jesus, He's always on time.
And though you may see a valley,
He sees the mountain
You'll be standing on.
When all you can see
Are the tears falling down.
I'm so glad he sees what we don't.
