Stand By

Diabolic

You've got to learn
You've got to learn how to follow the leader
You've got to turn
Turn off your pride and you're life will be sweeter
Love comes from God
Surely, surely, surely you can see that
If you check out your heart
There's a part that you're keeping from me
Why don't you hold on tight
Make this flight, we've got the whole night
Saddle up your gear
Have no fear, we are here, hey
Better make it soon
Give me room, come on and stand by me
Come on and stand by
'Cause there is no time, no time to sit
I'll bet you'll be quick about it
And I know you will
Once you learn that you can't live without it
Lord only knows how long
How long, how long I have waited
And the moment is near
Line 'em up, get 'em ready at the gate
We're gonna keep 'em strong
Moving on, we've got the whole night
No looking back
Where it's at, it's right now, hey
Better make it soon
Give me room, come on and stand by me
There's gonna be no looking back
So baby, take everything you'll ever need
Sure 'nough moving on, keep it strong

It's a whole new game and a brand new street
You know, uh, you said you would if you could
I'll make it good to ya
Don't you stop 'til we get to the top, hey
Ninety-nine and a half just won't do, stand by me
Hey, hey

If it's real, what you feel, come on and stand by
Don't you stop 'til we get to the top, hey
Ninety-nine and a half just won't do, stand by me
Come on and stand by
Ha, stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
Stand by me, hey, hey, hey
