

# Don't Stop

## M.C. Sar & The Real McCoy

The clock is tickin'  
And I'm here wishin'  
This new found love  
    Will find no end  
    Don't wanna feel  
    Another feelin'  
    Don't wanna know  
    What time will send  
    I wanna stop  
The earth from turnin'  
    The rain from fallin'  
    The wind from blowin'  
    But don't stop  
    (Stop)  
The love from growin'  
    Keep that river flowin'  
    We can find a way  
    Don't stop  
    (Stop)  
The love from showin'  
    I don't want tomorrow  
    Just give me today  
    Don't stop  
    (Stop)  
Stop the hands of time  
    Hold back the time  
    And make forever  
The same as the moment  
    I felt your love  
    You've touched my heart  
    Erased the pain  
The memories and mistakes  
    I made  
    (Stop)  
The earth from turnin'  
    The rain from fallin'  
    The wind from blowin'  
    Don't stop  
    (Stop)

The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop  
(Stop)  
The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light  
Don't stop  
(Stop)  
My heart from beatin'  
Keep the time from fleetin'

Into the night  
Can't think about tomorrow's fears  
'Cause today is here to stay  
Clear away all of yesterday's tears  
There's nothin' to block our way  
(Stop)  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
The sun from shinin'  
Can't find the reason  
Another season  
Could never match your  
Love so pleasin'  
Don't let it go  
No no no no no  
Don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop

(Stop)

The flame from burnin'

Stop tomorrow's hurtin'

From seein' the light

Don't stop

(Stop)

My heart from beatin'

Keep the time from fleetin'

Into the night

Don't stop

(Stop)

The love from growin'

Keep that river flowin'

We can find a way

Don't stop

(Stop)

The love from showin'

I don't want tomorrow

Just give me today

Don't stop the love

Stop the time

Another day

To keep you mine

Don't stop the love

Stop the time

Another day

To keep you mine
