

Uncle John

Robert Bradley's Blackwater Surprise

Who's gonna stand at the river
And watch those angels fall?
And who's gonna stand on the mountain
And Lord thinkin' they're so tall? Who's gonna walk in the shadows
For one moment in the light?
Who gonna stand up against the wrong
When they know it just ain't right? And who's gonna tell Auntie Mary
About Uncle John?
Oh Lord, who's gonna tell it? Who's gonna live in the house
Right down by the side of the road?
Who's gonna stand up in heaven
And still love that rock 'n' roll? Who's gonna stand in the wind
And just watch those angels fall?
Who's gonna get up on TV?
And Lord thinkin' they're so tall Who's gonna tell Auntie Mary
About Uncle John?
Lord have mercy He's gonna tell it one fine morning
Aunt Mary, hey, Aunt Mary, hey
About Uncle John Who's gonna tell it? Aunt Mary
Who's gonna tell it? Aunt Mary
Who's gonna tell it? Aunt Mary
Who's gonna tell it? Aunt Mary
About Uncle John Who's gonna tell it? Aunt Mary
Who's gonna tell it? Aunt Mary
Who's gonna tell it? Aunt Mary
