Rearview (Ridin') (Feat. Ludacris)

Bobby Valentino

We gotta come back to ya
It's Bobby V. and Luda
We just wanna soothe ya
Bobby V. and LudaThis town is too small for the both of us
She's crying, I'm packing stuff
Peelin', chrome
Wheel is burning dustThis time I'm really gone
Bout to turn this road into the autobahn
'Cause if I slow down
I think I might change my mindI'll run as fast as I can
Put all the gas down the highway again
Switchin' lanes, not giving a damn
So catch up with your boy if you canI'm running from my past
What's done I can't redo
I'm just, lookin in my rearview, ridin'
Lookin in my rearview, ridin'I wanna right all my wrongs
What's done I can't redo
I'm just, lookin in my rearview, ridin'
Lookin in my rearview, ridin'My rearview
Lookin in my rearview
I can see you in my rearview
Lookin in my rearviewI'm pushing 80 MPH, I'm poppin' Nodos
Caffeine, nicotine and change of clothes, hit the road
I see your face and I miss you dear
Images in the mirror, closer than they appearI'll run as fast as I can
Put all the gas down the highway again
Switchin' lanes, not giving a damn
So catch up with your boy if you canI'm running from my past
What's done I can't redo
I'm just, lookin in my rearview, ridin'
Lookin in my rearview, ridin'I wanna right all my wrongs
What's done I can't redo
I'm just, lookin in my rearview, ridin'
Lookin in my rearview, ridin'My rearview
Lookin in my rearview
I can see you in my rearview
Lookin in my rearviewI can see you in my rearview, baby, Luda
I got my pedal to the metal and Im lookin in
My rearview mirror, mirror, never said goodbye

I jumped in my ride and shook like ShakiraHear the noise that I'm making
While my trunk is steady shaking
And my heart, skip a beat and I'm thinking
Bout sneaking away with a freak on the weekendBut what in the hell was I thinking 'bout
Now I'm all alone tryna right my wrongs
Sittin' on chrome in a Cadillac Brone
Tryna to write this songCan't believe that I'm leaving home
When I really wanna hear you scream and moan
My name's Ludacris and my team is strong
So hey, Bobby V. go on, sing this songI'm running from my past
What's done I can't redo
I'm just, lookin in my rearview, ridin'
Lookin in my rearview, ridin'I wanna right all my wrongs
What's done I can't redo
I'm just, lookin in my rearview, ridin'
Lookin in my rearview, ridin'My rearview
Lookin in my rearview
I can see you in my rearview
Lookin in my rearviewWe gotta come back to ya
It's Bobby V. and Luda
We just wanna soothe ya
Bobby V. and LudaGotta come back to ya
It's Bobby V. and Luda
We just wanna soothe ya
Bobby V. and Luda
