

Oh Me I

Superhumanoids

Everytime surprise when I close my eyes
Invisible silence in a modern scroll
Everything implies that we're going to die
Go digital white noise dull drums swallow whole
Did you know you were alone
Could you see my eyes
Can we just rewind
Did you know I had no control
Did you see my face sink beneath the waves
Everytime surprise invades an anxious mind
Dont remember when I gave up gave in
Everything implies that we're all going to die
No digital white noise dull drums swallow whole
Did you know you were alone
Could you see my eyes
Can we just rewind
Did you know I had no control
Did you see my face sink beneath the waves
Did you know you were alone
Could you see my eyes
Can we just rewind
Did you know I had no control
Did you see my face sink beneath the waves
