

Somewhere In Neverland

All Time Low

Say goodbye to the halls and the classes
Say hello to a job and the taxes
The weekends with old friends
Spilling into nine to five routine
Tell me how you feel over and done with
Like your life is a map with no compass
To guide at the bar
Drinking way too much
We sing along to "Forever Young"
So here we go again
Wishing we could start again
Wendy, run away with me
I know I sound crazy
Don't you see what you do to me?
I want to be your lost boy
Your last chance
A better reality
(YEAH)
Wendy, we can get away
I promise if you're with me
Say the word and we'll find a way
I can be your lost boy
Your last chance
Your "Everything Better" plan
Ohh... Somewhere in Neverland
We'll start a life of the plain and the simple
Of great times with far better people
And weekends with our friends
Laughing 'bout the wine that stains their teeth
We'll talk about how your parents separated and,
How you don't want to make the same mistakes as them
I'll say it's all about sticking it out
And trying to feel Forever Young
So here we go again

Wishing we could start again
Wendy, run away with me
I know I sound crazy
Don't you see what you do to me?

I want to be your lost boy
Your last chance
A better reality
(YEAH)
Wendy, we can get away
I promise if you're with me
Say the word and we'll find a way
I can be your lost boy
Your last chance
Your "Everything Better" plan
Ohh... Somewhere in Neverland
Ohh... Ohh.. Oh... Oh...
So here we go again
Wishing we could start again
Wendy, run away with me
I know I sound crazy
Don't you see what you do to me?
I want to be your lost boy
Your last chance
A better reality
(YEAH)
Wendy, we can get away
I promise if you're with me
Say the word and we'll find a way
I can be your lost boy
Your last chance
Your "Everything Better" plan
Ohh... Somewhere in Neverland
Ohh... Somewhere in Neverland
Somewhere in Neverland
