If It's Love

Train

While everybody else is getting out of bed, I'm usually getting in it
I'm not in it to win it and there's a thousand ways you can skin it
My feet have been on the floor, flat like an idle singer
Remember winger, I digress, I confess you are the best thing in my life
But I'm afraid when I hear stories 'bout a husband and wife
There's no happy endings, no Henry Lee, but you are the greatest thing about me
If it's love
And we decide that it's forever, no one else could do it better
If it's love
And we're two birds of a feather then the rest is just whatever
And if I'm addicted to loving you and you're addicted to my love too
We can be them two birds of a feather that flock together
Love, love, got to have something to keep us together
Love, love, that's enough for me
Took a loan on a house I own, can't be a queen bee without a bee-throne
I wanna buy you everything except cologne 'cause it's poison
We can travel to Spain where the rain falls mainly on the plain side and sing
'Cause it is we can laugh, we can sing, have ten kids and give them everything
Hold our cell phones up in the air and just be glad that we made it here alive
On a spinning ball in the middle of space, I love you from your toes to your face
If it's love
And we decide that it's forever, no one else could do it better
If it's love
And we're two birds of a feather then the rest is just whatever
And if I'm addicted to loving you and you're addicted to my love too
We can be them two birds of a feather that flock together
Love, love, got to have something to keep us together
Love, love, that's enough for me
You can move in, I won't ask where you've been
'Cause everybody has a past
When we're older we'll do it all over
Again
When everybody else is getting out of bed, I'm usually getting in it
I'm not in it to win it, I'm in it for you
If it's love
And we're two birds of a feather, then the rest is just whatever
Then the rest is just whatever
If it's love and we decide that it's forever, no one else could do it better
And if I'm addicted to loving you and you're addicted to my love too

We can be them two birds of a feather that flock together
Love, love, got to have something to keep us together
Love, love, got to have something to keep us together
Love, love, that's enough for me
