

# Aftermath (feat. Nina K)

Tomas Barfod

Hey no mind in closing your eye  
You can do the aftermath  
All the sudden things I say  
I'm a stranger in your way  
My body might never again  
Begin just where's your ends  
These immature thoughts of you

Won't grow up entirely And baby I, move my fingers away from you; They burned up entirely.  
Baby I, cannot linger; I'm falling blindly.

Meet me, meet me after dark, meet me after dark  
You.meet me, meet me after dark, meet me after dark  
You. meet me, meet me after dark, meet me after dark  
You. meet me, meet me after dark, meet me after dark  
You.Now that every minut alone  
Cut me to my heart and bone  
These immature thoughts of you

Makes me yours completely Cause baby I, pull my fingers away from you  
Away away away away  
Baby I, cannot ask you, I can't see clearly Mmm, mmm, mmm, mmm  
Mmm, mmm, mmm Meet me, meet me after dark, meet me after dark  
You.meet me, meet me after dark, meet me after dark  
You.

Meet me, meet me after dark, meet me after dark  
You.meet me, meet me after dark, meet me after dark  
You.Meet me, meet me after dark, meet me after dark  
You.meet me, meet me after dark, meet me after dark  
You.
