Attak / Reload

KMFDM

Watching you
Floodlights seal your fate
Shallow breath
Quick pulse
Navigate

All this waiting, waiting
Contemplating youPure adrenaline emergency
You've been searching for signs now the truth has

Arrived

State control

Attack/reloadTheoretical illusory Volunteer to the ultimate system of life

Brace the blow

Attack/reloadMolecular breakdown mutate below Cause and effect react to explode

Static rush

Gravitational pull of deliriumClose my eyes

Hear what you say

Got the guns

The power to take

Bomb the one

The one that slipped awayTemper tantrum you communicate

It's your nature to be cold Automatic how you operate

System failure

Brain controlAttack/reload
