Soup Kitchen

Eva Trout

Soup kitchen, you see me standing in the line
Soup kitchen, any time day and night
Soup kitchen, you see what you've reduced me to this time
I've got nowhere to run and hide

Shoes itching, I've been all over this world
Shoes itching, I've been through to interstate
Shoes itching, I've travelled all over this broken world of mine
I've got nowhere to run this time

But I won't ever cry you a river honey, if I live to be 103
And I won't call your name in the darkness honey, see me lie with the ravaged lonely ones
But I don't hurt inside

Loose stitching, they say I'm breaking like the news
Loose stitching, your voice lingers inside
Loose stitching, the shuffling scraping of the heels of my shoes
I've got nothing left to lose

And I won't ever cry you a river honey, if I live to be 103
And I won't call your name in the darkness honey, see me lie with the ravaged lonely ones
And I don't hurt...

Beauty walks a wire
Beauty walks a wire
Beauty walks a wire, oh ye
Beauty walks a wire

And I won't ever cry you a river honey, if I live to be 103
And I won't call your name in the darkness honey, see me lie with the ravaged lonely ones
And I don't hurt inside
