Get Down

OG Maco

Muslims, Catholics, Protestants spend most of their time protestin'
Each other for minor details that slightly vary religions
They creatin' hate and watch it grow like legions
Why do we pledge allegiance, but as soon as they think we sneakin'
It's guilty 'til proven innocentMuslims, Catholics, Protestants spend most of their time protestin'Each other for minor details that slightly vary religions
They creatin' hate and watch it grow like legions
Why do we pledge allegiance, but as soon as they think we sneakin'
It's guilty 'til proven innocentMuslims, Catholics, Protestants spend most of their time protestin'Each other for minor details that slightly vary religions
They creatin' hate and watch it grow like legions
Why do we pledge allegiance, but as soon as they think we sneakin'
