

# Anytime (2000 Remaster)

## The Babys

Hear a message on my radio  
I get home I got nowhere to go  
Think about ya day and night  
I'll be waiting so when it feels right  
Anytime you want at all  
Anytime  
Anytime you want just call  
Heartbeat faster lose control  
A burnin' fever gets you alone  
I need your love you're the only one  
The night is passin' I could soon be gone  
So anytime you want at all  
Anytime  
Anytime you want just call  
Anytime you want to rock and roll  
Anytime  
Telephone telegram  
Come on over  
Make me feel like a man  
A crack of thunder over my hometown  
I read the future it has to go down  
So anytime you want at all  
Anytime  
Anytime you want just call  
Anytime you want to rock and roll  
Anytime you need my love  
Anytime  
Anytime you want just call  
Ooh yeah  
(Anytime anytime)  
Anytime you want my love  
Yeah yeah  
(Anytime anytime)  
Anytime you're on your own  
(Anytime anytime)  
Anytime you want my love  
(Anytime anytime)  
Ooh
