Seein' Double

Nikki Lane

I got a hole in my heart
Mighty deep, cold and dark like a tunnel
It's hard to breathe in this town
I'm sinking deep, going down through the funnel
I'll never stop

Hurry, here we go now, fast as we can
Glory's come to play, he wants to make a stand
I got the shakes, got my head in my hands
Every day a state of confusion
Don't you ever say I didn't tell you so
I was doing right when I let you know
I'm just a fool, I let all my cards show
Don't believe the illusion

Tom's in the bed, Jack's on the floor
Jim won't sleep inside no more, I'm seein' double
And I just can't take anymore
I got a bag of relief in the drawer
Laying 'round in my gown, take it out, burn it down

Hurry, here we go now, fast as we can
Glory's come to play, he wants to make a stand
I got the shakes, got my head in my hands
Every day a state of confusion
Don't you ever say I didn't tell you so
I was doing right when I let you know
I'm just a fool, I let all my cards show
Don't believe the illusion

Call me out, say what you will
Let's be sure that we both know the score
Have no doubt, every word you'll say
Well, I've heard it all before

Hurry, here we go now, fast as we can
Glory's come to play, he wants to make a stand
I got the shakes, got my head in my hands
Every day a state of confusion
Don't you ever say I didn't tell you so

I was doing right when I let you know
I'm just a fool, I let all my cards show
Don't believe the illusion
