

# Limbo No More

## Alanis Morissette

My house, my role  
My friends, my man  
My devotion to god  
All the more feels indefinite Nothing's been clear  
Nothing's been in  
Nothing's felt true  
And I've never had both feet in Nothing's belonged  
Nothing's been yes  
Nowhere's been home  
And I'm ready to be limbo no more My taste, my peers  
My identity, my affiliation  
All the more feels indefinite Nothing's been clear  
Nothing's been in  
Nothing's felt true  
And I've never had both feet in Nothing's belonged  
Nothing's been yes  
Nowhere's been home  
And I'm ready to be limbo no more I sit with filled frames  
And my books and my dogs at my feet  
My friends by my side  
My past in a heap Thrown out most of my things  
Only kept what I need to carve  
Something consistent and notably me Tattoo on my skin  
My teacher's in heart  
My house is a home  
Something at last I can feel a part of Sense of myself  
My purpose is clear  
My roots in the ground  
Something at last I can feel a part of Something aligned  
To finally commit  
Somewhere I belong  
'Cause I'm ready to be limbo no more My wisdom applied  
A firm foundation  
A vow to myself  
'Cause I'm ready to be limbo no more
