

Positive Vibes

Mumzy Stranger

Kill them with positive vibes,
Kill them, kill them, kill them with positive vibes,
Kill them, kill them, kill them with positive vibes,
Kill them, kill them, kill them with positive vibes,
Kill them, kill them, kill them with positive vibes.
There you know you blow them with your positive vibes,
And no way .. turn them to ice,
Dont look so surprise girl if you are mine,
I tell you to shake your body, cause you do it so fine,
I really like the way you blow my.., and I can feel I lose my mind,
Now I know why youre looking fine,
cause your beauty explains youre gonna be my kind.
Girl you know youre so hot,
Your body watnts to sex me, sex me
cause you got me thinking on ourselves,cause you got this out of your needs,
She left my mind first Im a take this ..,
Now its time to .. your body girl,
Its time to .. make a vibe.

Chorus:

She kill them, kill them, kill them with the positive vibes,
She kill them, kill them, kill them with the positive vibes,
She kill them, kill them, kill them with the positive vibes,
She kill them, kill them, kill them with the positive vibes,
Too many men put together under pressure,
Even the sexiness can bring so much power ,
So recognise all, so keep your eyes on,
..the truth all night long,
And she ..morning ..to the ..,
She looked me in the eye just like a dream,
she give me my ..,
Girl you know, youre so hot, your body wants to sex me, sex me,
cause you got me thinking on ourselves,cause you got this out of your needs,
She left my mind first Im a take this ..,
Now its time to .. your body girl,
Its time to .. make a vibe.

Chorus:

She kill them, kill them, kill them with the positive vibes,
She kill them, kill them, kill them with the positive vibes,
She kill them, kill them, kill them with the positive vibes,

She kill them, kill them, kill them with the positive vibes.

Listen, youre sexy, I can see it, come on closer,
Be my lover, yeah, its crazy, so be it, lets be lively,
cause were vibing.

[Chorus:]

You know you cant .., oo

You know you kill them, no no no no no.

Kill them, kill them, kill them with the positive vibes,
Kill them, kill them, kill them with the positive vibes,
Kill them, kill them, kill them with the positive vibes,
Kill them, kill them, kill them with the positive vibes,
Kill them, kill them, kill them with the positive vibes.
