

Lovin' U

Javier

I never thought it will end like this
I never thought we'd ever had our last kiss
I never thought about you being unhappy
'Cuz in my world everything was about me I know that I didn't give my all to you
I know that you've been seeing somebody new
I know that it's too late to make things right
And I know you don't care but I gotta tell you Lovin' U is all that I wanted to do
Lovin' U is all I wanted to do
Lovin' U is all that I wanted to do
Lovin' U is all I wanted to do I never thought I will push you away
I never thought I wouldn't see you every day
I never thought I wouldn't get here to hear
The silly things you'd say only for my ears I never thought our love would run outta time
I never thought I would be singing these lines
I never thought I wouldn't get a chance to explain
How much I care I know that I didn't give my all to you
I know that you've been seeing somebody new
And I know that it's too late to make things right
And I know you don't care, I just have to tell you Lovin' U is all that I wanted to do, yes I do
Lovin' U is all that I wanted to do, hey
Lovin' U is all that I wanted to do, yes I do
Lovin' U is all that I wanted to do, can I play for you Ooh, I know that I didn't give my all to you
I know that you've been seeing somebody new
And I know it's too late to make things right
And I know you don't care, I just gotta tell you Lovin' U is all that I wanted to do, hey
Lovin' U is all that I wanted to do babe
Lovin' U babe is all I wanted to do
Lovin' U baby is all I wanted to do [Incomprehensible]
