

# Crying

## Top of the Poppers

I was all right for a while  
I could smile for a while  
But when I saw you last night  
You held my hand so tight  
When you stopped to say hello  
And though you wished me well  
You couldn't tell  
That I'd been crying over you, crying over you  
Then you said so long  
And left me standing all alone  
Alone and crying, crying, crying, crying  
It's hard to understand  
That the touch of your hand

Can start me crying  
I thought that I was over you  
But it's true, so true  
I love you even more than I did before  
But darling, what can I do?  
You don't love me  
And I'll always be crying over you, crying over you  
Yes, now you're gone  
And from this moment on  
I'll be crying, crying, crying, crying  
I'm crying, crying over you
