

Roses (Feat. Emeli Sande)

James Arthur

I could've chose anybody but I chose you
Ooh ooh
Help me get better, you pull me right out of the blue
Oh oh
And daddy don't like you, but daddy and I never speak
Ee ee
Every night when I wake up I need you to get back to sleep
Ee ee[Chorus:]
Smells like roses to me
Two young lovers at sea
Tastes so bitter, so sweet
You're my bang, together we go bang bang bang
Bang bang bang
Bang bang bang
Oh oh, oh oh[Verse:]
You could've chose anybody but you chose me
Ee Ee
Hiding in bedsits cause no one around us agrees
Ee ees
And I feel romantic cause since morning I've been at the wine
I, I
Shall we eat all the poison and leave all the questions behind
I, I[Chorus:]
Smells like roses to me
Two young lovers at sea
Tastes so bitter, so sweet
You're my bang, together we go bang bang bang
Bang bang bang
Bang bang bang[Bridge:]
And all the chemicals and alcohol make for a volatile love
But stay with me
Just stay with me
And I never wanna lose you but I feel that this closeness will tear us apart
But stay with me
Stay with me
Bang, bang, bang [x4][Chorus:]
Smells like roses to me
Two young lovers at sea
Tastes so bitter, so sweet

You're my bang, together we go bang bang bang
