I Will Always Be True

Third Day

I will always be true
No, I?ll never be leaving
I will be here with you
Through the storms and the seasons
Through the sun and the rain
Through the joy and the pain
I will know what to do
I will always be true
I will always be true
No, you never should doubt it
Once again I will prove
There is no way around it
Through the questions and tears
Everyday of the year
I will know what to do
I will always be true
If you will need a shoulder to cry on
I'm here every time
And when you need a hand to hold
I'll give you mine, oh, I'll give you mine
I will always be true
You can always believe it
And when my life is through
Well, I hope you will see Him
Everyday that I live
Every breath that I breathe
Yes, it all was for You
I will always be true
And if you will need a shoulder to cry on
I'm here every time
And when you need a hand to hold
I'll give you mine
And when you need a shoulder to cry on
I'm here every time
And when you need a hand to hold
I'll give you mine, yeah, I'll give you mine
I?ll always be true
I?ll always be true, yeah, all for you
