

# You Are My Sister

## The Unthanks

You are my sister, we were born  
So innocent, so full of need  
There were times we were friends but times I was so cruel  
Each night I'd ask for you to watch me as I sleep  
I was so afraid of the night  
You seemed to move through the places that I feared  
You lived inside my world so softly  
Protected only by the kindness of your nature  
You are my sister  
And I love you  
May all of your dreams come true  
We felt so differently then  
So similar over the years  
The way we laugh the way we experience pain  
So many memories  
But theres nothing left to gain from remembering  
Faces and worlds that no one else will ever know  
You are my sister  
And I love you  
May all of your dreams come true  
I want this for you  
They're gonna come true (gonna come true)
