Feelin' You

3lw

Ever since you've come my way
Something deep inside me said
Nothing that I've ever seen
Could ever be compared
Still, I've seen it all before
But I have always wanted more
Than a momentary thrill
A casual affair
Go to get to know you better
(Yeah, I've got to know)
Baby, I've got to know you, now
(I envision us together)
Ohh, I'm feelin' you
Without even knowing you
No one else will ever do
So I've got to tell you
Ohh, I'm feelin' you
Without even touching you
Saw you instantly I knew
That I have to make you mine, ohh
Never thought I'd ever find
Then you stepped up in my mind
Just one look from you and then
My heart was blown away
You got me with your attitude
The confidence that you exude
I can tell your favor would be
Ohh, so good to taste, yeah
Could it be, we could get any closer?
(Baby, I've got to know you now)
Wonder have you ever noticed?
Yeah, I'm feelin' you
Without even knowing you
No one else will ever do
Yeah, I've got to tell you
Ohh, I'm feelin' you
Without even touching you
Saw you, instantly I knew
That I have to make you mine

Na, na, na, na, na, na, na, na, na, na, na, na
Ohh, somethin' about you baby
Na, na, na, na, na, na, na, na, na, na, na, na
Yeah, I'm feelin' you, feelin' you baby
Got to get to know you better
Baby, I've got to get to know
I envision us together
Ohh, I'm feelin' you
Without even knowing you
No one else will ever do
Yeah, I've got to tell you
That I'm feelin' you
Without even touching you
Saw you, instantly I knew
(Ohh, I knew it from the start, yeah)
Na, na, na, na, na, na, na, na, na, na, na, na
I'm never gonna let you go, let you go baby
Na, na, na, na, na, na, na, na, na, na, na, na
(Lovin' you yeah)
I'm feelin' you
Na, na, na, na, na, na, na, na, na, na, na, na
([Incomprehensible])
Na, na, na, na, na, na, na, na, na, na, na, na, ohh
