Sedative

The Living Daylights

Sedative
Sedative
Was my hero
Oh, it was
What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out now?
Take me by the hand now
It's been a long, long time since I've step outside
To the morning sun
Sedative
Sedative
Was my hero
And I had a hit
[Incomprehensible]Sedative
It was my hero
And I had a hit on it
What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out now?
And I crawl along now
It's been a long, long time since I've step outside
To the morning sun
My faith in you
[Incomprehensible]Yes, I got faith in you
What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out?
And I crawl along now
It's been a long, long time since I've step outside
To the morning sun
My faith in you
Faith in you
My faith in you
