Unsuspecting Hearts

Premiere Cast

Miss Gardner:
So many years you faced the world alone
Frightened that life might pass you by
Then he appears, someone who smiles at you
This is no time to question why
Love can find you when you least expect
Funny how two lives connect
That's how it starts: two unsuspecting heartsLet yourself go, give someone half a chance
Maybe he's waiting just for you
You never know, this could be paradise
Maybe your dreams just might come true
And you never know how things might go
Once you share that first "hello"
That's how it starts: two unsuspecting heartsCarrie (spoken):
Oh, I don't know, Miss Gardner--Miss Gardner (spoken):
And you never will if you don't give it a chance! Now listen to me: you are a beautiful young woman.Carrie (spoken):

In a world where nothing's sure and nothing's ever guaranteed
You should trust the way you feel
That's the only thing that's real
It's like magic, how your spirit soars
Once you feel his hand in yours
