

# Bouncy Ball Bum

## Nutty Noah

I've got a bouncy ball for a bum  
It gives me hours of endless fun  
So if you see me bouncing through the sky tonight  
It's cos I wore my pants too tight And if I fall out of my chair  
I'll bounce straight up into the air  
I'm not sure that I like the feeling  
When I connect with the ceiling And if I'm walking down the road  
And if I'm carrying a heavy load  
If I trip watch the expression on my face  
As I get bounced right into space Let me tell you how this all has come to pass  
I was injected with a polymer in my arm  
My circulation made it settle in my rear  
I wish sometimes it would just disappear So I'm so sad and I'm lonely  
I wish I could meet someone like me  
In my mind we're holding hands down the street  
As we're bouncing cheek to cheek Maybe one day we'll have a son  
A gibbering wreck of so much fun  
And I'll try hard not to treat him like a toy  
But he'll be my bouncing baby boy
