Bad Idea (f/ Jason Mraz)

Sara Bareilles

It's a bad idea, me and you
It's a bad idea, me and you
I've never known anything so true
It's a terrible idea, me and youYou have a wife
You have a husband
You're my doctor
You've got a baby coming
It's a bad idea, me and you
Let's just keep kissing til we come toHeart, stop racing
Let's face it, making mistakes like this
Will make worse what was already pretty bad
Mind, stop running
It's time we just let this thing go
It was a pretty good bad idea, wasn't it though?It's a bad idea, me and you
It's a bad idea, me and you
Hold me close while I think this through
(Um, um, yeah)
Yeah, it's a very poor idea, me and youI got a wife
I got a husband
I'm your doctor
My dumb baby's coming
It's a bad idea, me and you
Maybe one more kiss will make us come toHeart, stop racing
Let's face it, making mistakes like this
will make worse what was already pretty bad
Mind, stop running
It's time we just let this thing go
It was a pretty good bad idea, wasn't it though?It's not right for me
It's the only thing I've ever done
What if I never see myself ever be anything more
Than what I've already become?
I need a bad idea
I need a bad idea
I need a bad idea
I need a bad idea
Just oneHeart, keep racing
Let's make mistakes
Let us say "so what?" and make worse what was already pretty bad
This secret is safe

No reason to throw it away when there's love to be had
Hold me tight as I tell myself that you might make sense
And make good what has been just so bad
Let's see this through
It's a pretty good bad idea
Me and you
