Everyone's an Actor

The Briggs

And I've gone half deaf in one ear
And I'm bleeding out the other
I don't know where to go
Unless some one tells me what to doI feel like I can't get this one thing off my chest
I've been told to keep a secret
What cannot be laid to restTurn away from the weak
and be sure to look toward the light
Say something meaningful
But don't make it sound too trite!Put the movie on side one
Sit back and have some fun
You might think that I'm a joker
But I'm not the only one
These are social graces like hello and good bye
But we're busting at the seams
To gossip and tell lies
Everyone's an actor and everyone's your friend
Looking out for your best interest
To fuck you in the endIt's only a matter of time
before they get to you somehow
and they'll give some good reason
why you should stay home and restIf you don't do drugs and fuck
then what good are you to me?
Just go back to where you came from
You're no good to us around herePlease don't try to make this seem
like something that it's not
Put the movie on side two
I have nothing left to do
You may think that I'm a joker
But I'm really just a fool
