# Don't Give Up the Fight

## Revive

Looks like another year
I see you standing here
I know it's always such an uphill battleFeels like you're winning then
You go and lose again
And everyday you're going 'round in circlesKnow how you're feeling, I've been there before
You wanna run, you can't take much more
I'm here to help you see, it's your eternity
And it's worth the struggleDon't give up the fight
It's a war and you have to
Stand your ground tonight
'Cause I don't wanna lose youIt's your life and it matters
Be careful what you're chasing after
Don't give up the fight
'Cause I don't wanna lose you
I don't wanna lose youI know you're cynical
It seem impossible
You think you'll never find
The strength you're lackingI know you're feeling
Like your on your own
I'm here to tell you
That you're not aloneDon't give up the fight
It's a war and you have to
Stand your ground tonight
'Cause I don't wanna lose youIt's your life and it matters
Be careful what you're chasing after
Don't give up the fight
'Cause I don't wanna lose youWe've all got wounds
We've all got scars
Sometimes it hurts
Sometimes it's hardDon't give up hope
Don't give up hope'Cause He's got those wounds
He's got those scars
And with His blood
He heals our heartsHe is our hope
He is our hopeDon't give up the fight
It's a war and you have to
Stand your ground tonight
'Cause I don't wanna lose youIt's your life and it matters
Be careful what you're chasing after

Don't give up the fight
'Cause I don't wanna lose youI don't wanna lose you
I don't wanna lose you
