

# Deal

## Ratdog

Costs a lot to win, and even more to lose

You and me bound to spend some time just wonderin' what to choose  
Goes to show, you don't ever know

Watch each card you play and play it slow

Wait until that deal come round

Don't you let that deal go down, no, no  
I been gamblin' hereabouts for ten good solid years

If I told you all that went down it would burn off both of your ears  
Goes to show you don't ever know

Watch each card you play and play it slow

Wait until that deal come round

Don't you let that deal go down, no, no  
Poured the wine for me tightened up my shoes

I hate to leave you sittin' there, composin' lonesome blues  
Goes to show you don't ever know

Watch each card you play and play it slow

Wait until that deal come round

Don't you let that deal go down, no, no  
Costs a lot to win, and even more to lose

You and me bound to spend some time just wonderin' what to choose

Goes to show, you don't ever know

Watch each card you play and please play it slow  
Wait until that deal come round, don't you let that deal go  
down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let  
that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down
