

# Let's Stay in Love

## Blackstreet

Listen, I know we have our ups and downs  
Our fights, our good times, and our bad times  
But through it all nothing compares to the way I love you, girl  
So baby, let's stay in love, let's stay in love, Blackstreet Let's stay in love, let's stay together  
Let's stay devoted, let's stay forever  
Let's stay in love, let's stay together  
Let's stay, let's stay in love Listen, girl, I must confess that you are the best  
I've ever had in my whole life and I believe  
That love just wouldn't be complete without you here beside me  
Near to guide me through, whatever comes my way and I wanna say Baby, let's stay in love, let's stay together  
Let's stay devoted, let's stay forever  
Let's stay in love, let's stay together  
Let's stay, let's stay in love Lady, I never knew a love before you  
And then you came and made it clear view  
And I wanna thank Heaven above  
For placing you beside me You're the queen of hearts in my world  
I'll be the king of hearts to you girl  
With our love, we can conquer anything  
Yeah, yeah Let's stay in love, let's stay together  
Let's stay devoted, let's stay forever  
Let's stay in love, let's stay together  
Let's stay, let's stay in love Stay, stay, please stay  
Stay in love  
Stay, stay, please, please stay  
Stay, in love  
Stay with me
