

Light House

The Word Alive

We stand up tall
Even in the dark
Never forget we are a light house burning
Oh, they can't hold us back
Never forget we are a light house burning
Oh, we will shine on
To bring us back homeWoah-oh-oh
Woah-oh-oh
Woah-oh-oh
Woah-oh-ohSometimes I think I don't belong
I need some words, can't find the song
We all make a choice in life
I pray that I'm wrongI can search in the endless sky
For a reason to survive
We all get lost at times
In our broken mindsWe stand up tall
Even in the dark
Never forget we are a light house burning
Oh, they can't hold us back
Never forget we are a light house burning
Oh, we will shine on
To bring us back homeRise above the veil of fear
Let them see your passion clear
We all have voices
It's time to be heardWake up
Shine on
This life is oursWe stand up tall
Even in the dark
Never forget we are a light house burning
Oh, they can't hold us back
Never forget we are a light house burning
Oh, we will shine on
To bring us back homeTo bring us back home, to bring us back home
Bring us back homeWe will be shinning on, on
We will be shinning on, onWe stand up tall
Even in the dark
Never forget we are a light house burning
Oh, they can't hold us back
Never forget we are a light house burning

Oh, we will shine on, we will shine on

We will shine on

To bring us back homeWoah-oh-oh

Woah-oh-oh

To bring us back home

Woah-oh-oh

Woah-oh-oh

To bring us back home
