Everything For Free

K's Choice

I don't know who you are but you seem very nice
So will you talk to me?
Shall I tell you a story? Shall I tell you a dream?
They think I'm crazy
They don't know that I like it here, it's nice in here
I get everything for free
Have you been here before? Shall I show you around?
It's very pretty
Have you come here to stay? Well, you sure picked a day
My name is Billy
It's my birthday, you're invited to my party down the hall
Where I go? What I'll become?
Or who I am or what I'll be?
I'll never know, but I am sure
That I'll get everything for free
I'm not troubled or sad, I'm just ready for bed
It's been a long day
Before they switch off the lights, it truly was a delight
They think I'm crazy
They don't know that I like it here, it's nice in here
Where I go? What I'll become?
Or who I am or what I'll be?
I'll never know, but I am sure
That I'll get everything for free
Where I go? What I'll become?
Or who I am or what I'll be?
I'll never know, but I am sure
That I'll get everything for free
Everything for free
I don't know who you are but you seem very nice
So will you talk to me
Have you been here before? Well, you sure picked a day
They think I'm crazy
