

Made a Way

Travis Greene

Made a way

Don't know how but you did it

Made a way

Standing here not knowing how will get through this test

but holding unto faith you know best

nothing can catch you by surprise

you got this figured out and you're watching us now

but when it looks as if we can't win

you wrap us in your arm and step in

and everything we need you supply

you got this in control

and now we know that

You made a way

when our backs were against the wall

and it looked as if it was over

you made a way

and we're standing here

only because you made a way

you made a way Now we're here

looking back on where we come from

because of you and nothing we've got

to deserve the love and mercy you've shown

but your grace was strong enough to pick us up and you made a way

when our backs were against the wall

and it looked as if it was over

you made a way

and we're standing here

only because you made a way 2x

You move mountains

you cause walls to fall

with your power

perform miracles

there is nothing that's impossible

and we're standing here

only because you made a way you made a way 4x don't know how but you did it

made a way

don't know how but you did it

made a way don't know how but you did it 4x don't know why but i'm grateful 4x don't know how but i'm

grateful and we're standing here

only because you made
and we're standing here
only because you made a way
and we're standing here
only because you made you move mountain 4x you cause walls to fall 4x you cause chains to break 4x
giants fall 4x
'cos you move mountain
you move mountain
and everything is easy for you
'cos you move mountain
yes you move mountain
mountains are moving 4x
strong holds are breaking 4x
'cause you move mountain
you cause walls to fall
with your power 4x
you perform miracles 4x
