

Time Is On Your Side (feat. Delaney Jane)

StadiumX & Dzasko

There's a rip in your sleeve
And you're chanting and dancing through the street
There's a cab at your side
But you'd rather hide
Cause you wanna hold the night And everything's alright
You say time is on your side
Yeah, everything's alright
You say time is on your side Cause time is on your side
Cause time is on your side
Cause time is on your side (Instrumental) Not walking straight anymore
You see the light
But you can't find the door
This is the closest you've come to coming undone
And you crave more and more And everything's alright
You say time is on your side
Yeah, everything's alright
You say time is on your side Cause time is on your side
Cause time is on your side
Cause time is on your side Cause time is on your side
Cause time is on your side (Instrumental)
