

American Honey

Lady Antebellum

She grew up on a side of the road
Where the church bells ring and strong love grows
She grew up good
She grew up slow
Like American honeySteady as a preacher
Free as a weed
Couldn't wait to get goin'
But wasn't quite ready to leave
So innocent, pure and sweet
American honeyThere's a wild, wild whisper
Blowin' in the wind
Callin' out my name like a long lost friend
Oh I miss those days as the years go by
Oh nothing's sweeter than summertime
And American honeyGet caught in the race
Of this crazy life
Tryin' to be everything can make you lose your mind
I just wanna go back in time
To American honey, yeaThere's a wild, wild whisper
Blowin' in the wind
Callin' out my name like a long lost friend
Oh I miss those days as the years go by
Oh nothing's sweeter than summertime
And American honeyGone for so long now
I gotta get back to her somehow
To American honeyOoo there's a wild, wild whisper
Blowin' in the wind
Callin' out my name like a long lost friend
Oh I miss those days as the years go by
Oh nothin's sweeter than summertime
And American honey
And American honey
