Brand New Day

Ruthie Foster

tryin' to find a new home
tryin' to write a new song
tryin' to find a rhythm that 'll help me
ooo wanna get through it
to keep singing the blueseverybody's saying
you gotta get away and
go deal with the real stuff
and I it's gotta be true enough
yeah to keep singing the blueswell you know
I'm just passing on
singing the same old song
sometimes it feels so right and
I don't feel all alone
but when the music fades
and the crowd drives away
i'm staring at the mirror
still singing the blues
staring at the mirror yeah
still singing the bluesi pup a lttle up beat reaggy
and I can lift and appreciate
but I rather be high on yeah
i'm singin th e bluesi've been in and out of soul
even rock 'n roll
but a little butta boo plan??
never never get souled
and I realize
oh I gotta hear me some blues
I'm just passing on
singing the same old song
sometimes it feels so right and
I don't feel all alone
but when the music fades
and the crowd drives awayi'm staring at the mirror
still singing the blues
staring at the mirror
still singing the bluesyeahI'm just passing on
singing the same old song
sometimes it feels so right and
I don't feel all alone

but when the music fades
and the crowd drives awayi'm staring at the mirror
still singing the blues
staring at the mirror yeah
still singing the blues
