

# Ritual Noise

## Covenant

We make ritual noise  
We weave the fabric of dreams  
We build cities of sound  
We feel the rhythm of timeWe make ritual noise  
We weave the fabric of dreams  
We build cities of sound  
We feel the rhythm of timeWe make ritual noise  
Wired to the world under our fingertips  
We take special care  
Listen to the words spoken in confidenceWe make ritual noise  
Shouting to be heard  
Cooling our burning lips  
We break down the gates  
Open up our wounds bleeding for innocenceWe make ritual noise  
We weave the fabric of dreams  
We build cities of sound  
We feel the rhythm of timeWe live generous lives  
We have the power of will  
We turn logic around  
We feed the engine of changeWe make ritual noise  
We weave the fabric of dreams  
We build cities of sound  
We feel the rhythm of timeWe live dangerous lives  
We have the power of will  
We twist logic around  
We feed the engine of change
