Naked

DNCE

One, two
One, two, three (I wanna be)I got a, I got a five star dinner for ya
I drove a, I drove a, a brand new 'cedes for ya
Red rover, red rover, I bring them kisses over
The vibes were getting insaneI'm trying, I'm trying to be real classy for ya
No lying, no lying, I got real feelings for ya
This clothing, this clothing is turning into torture
Got one thing left on my brainI wanna be naked with you
With all our time, just the nude
I wanna be naked with you
We'll leave our clothes on the floor, put a sock on the door
I wanna be naked with you
At least I'm tellin' the truth
I wanna be naked with you
We'll leave a drop on the top, bring your body on mine
I wanna be
I wanna be
I wanna beNatural, natural, there's nothing dirty 'bout it
Masterful, masterful, keep putting pressure on it
True loving, true loving, the thing God finally founded
The vibes are getting insane, heyI haven't been so alive since the past life
I swear to God, you were mine in a past lifeI wanna be naked with you
With all our time, just the nude
I wanna be naked with you
We'll leave our clothes on the floor, put a sock on the door
I wanna be naked with you
At least I'm tellin' the truth
I wanna be naked with you
We'll leave a drop on the top, bring your body on mine
I wanna be
I wanna be
I wanna be
I wanna be naked with youI haven't been so nice, since the past life
I wanna be
I swear to God, you were mine in a past life
I wanna beI wanna be naked with you
Naked with you (I wanna be)I wanna be naked with you
With all our time, just the nude
I wanna be naked with you

We'll leave our clothes on the floor, put a sock on the door
I wanna be naked with you
At least I'm tellin' the truth
I wanna be naked with you
We'll leave a drop on the top, bring your body on mine
I wanna be
I wanna be
I wanna be
I wanna be naked with you
