Blame It On The Boogie

The Jacksons

My babys always dancin and it wouldnt be a bad thing
But I dont get no lovin and thats no lie
We spent the night in Frisco at every kinda disco
From that night I kissed our love goodbyeDont blame it on the sunshine
Dont blame it on the moonlight
Dont blame it on the good times
Blame it on the boogieDont blame it on the sunshine
Dont blame it on the moonlight
Dont blame it on the good times
Blame it on the boogieThat nasty boogie bugs me, but somehow how it has drugged me
Spellbound rhythm gets me on my feet
Ive changed my life completely, Ive seen the lightning leave me
And my baby just cant take her eyes off meDont blame it on the sunshine
Dont blame it on the moonlight
Dont blame it on the good times
Blame it on the boogieDont you blame it on the sunshine
Dont blame it on the moonlight
Dont blame it on the good times
Blame it on the boogie, wooI just cant, I just cant
I just cant control my feet
I just cant, I just cant
I just cant control my feetI just cant, I just cant
I just cant control my feet
I just cant, I just cant
I just cant control my feetSunshine
Dont blame it on the moonlight
Dont blame it on the good times
Blame it on the boogieDont blame it on the sunshine
Dont blame it on the moonlight
Dont on the good times
Blame it on the boogieThis magic music grooves me, that dirty rhythm fools me
The Devils gotten to me through this dance
Im full of funky fever, a fire burns inside me
Boogies got me in a super tranceDont blame it on the sunshine
Dont blame it on the moonlight
Dont blame it on the good times
Blame it on the boogieDont you blame it sunshine
Dont blame it on the moonlight
Dont blame it on the good times
