

# Not Too Late

## Noah And The Whale

The way you smile just pulls me in  
And I don't think we can just be friends.  
I tried before, now I can't pretend,  
I need you to know  
So here we go

I'm fallin' deeper in love with you,  
With every word, with every move.  
It's so hard to say it, I wish you knew  
That I wrote this song just for you.  
I'm fallin' more each day  
And I'm really hopin' I'm not too late  
To say, to say

I listen to every word you say,  
You're so beautiful in every way.  
Please don't hesitate,  
To take my hand and stay  
Cause when I'm with you I am safe

I'm fallin' deeper in love with you,  
With every word, with every move.  
It's so hard to say it, I wish you knew  
That I wrote this song just for you.  
I'm fallin' more each day  
And I'm really hopin' I'm not too late  
To say, to say

Fallin', fallin' deeper  
Fallin' in love with you  
Fallin', fallin' deeper  
Fallin' in love

Fallin' deeper in love,  
Your every word, your every move.  
It's so hard to say it, I wish you knew  
That I wrote this song just for you.  
I'm fallin' more each day  
And I'm really hopin' I'm not too late  
Really hopin' I'm not too late

To say, to say  
To say, I love you.
