Human

Caveman

You wanna know when the feeling is gone
Just wait around to seeI'm only human
Just to show it letting you go nowYou wanna act like you've seen it all
And doesn't come for freeI'm only human
Just to show it letting you go nowYou wanna feel everything
Just wait around and seeEverybody wants along
But nobody loves you 'till you're goneJust gonna be anything
There's only one like me
Said I never want you along
Everybody loves you when you gone
