

# Neon (feat. Casey Lee Williams)

[Jeff Williams](#)

We're all born with a dream  
We wanna make come true  
The best will climb to the top like me  
The rest will end up like you I bet it's hard to live with  
Knowing that you'll never be this fine  
Don't be distraught don't be sad  
You gave it your best try Listen, girlfriend... can't you see?  
I'm all of the things that you'll never be  
I'm cool like the rain and I'm hot like the sun  
I'm a neon rainbow and you're no fun May be time to retreat  
You need a diva review  
You can see I never miss a beat  
Your makeover's long overdue  
Just try to understand this  
It's not that I am trying to outshine  
You've got your inner beauty  
We can't all be divine Listen, girlfriend... can't you see?  
I'm all of the things that you'll never be  
I'm cool like the rain and I'm hot like the sun  
I'm a neon rainbow and you're no fun No one likes a girl who wears a silly frown  
Just wear a smile and you'll turn it all around  
Just think of happy things  
You'll see in no time  
Fun every day  
The clouds roll away  
Try it you'll see  
Just be more like me  
Listen, girlfriend... can't you see?  
I'm all of the things that you'll never be  
I'm cool like the rain and I'm hot like the sun  
I'm a neon rainbow and you're no fun
