I Still Love You (Remix)

Switch

I still love you, babe
I'm still for you, girl
I'll never leave you, baby
'Cause I realize I need you in my life
Girl it just ain't right what we said last night
'Cause I know we didn't mean it
You feel the love is gone 'cause we don't get along
But I can prove you wrong girl I swear
'Cause every time I close my eyes I see you
(I see you)
And how I wanna live my life is with you
There is no one, you're all I need and all I want
The only one I'll ever love
I still love you babe
('Cause without you there's no me)
I'm still for you girl
(Even though we disagree)
I'll never leave you baby
(I'll never leave you baby)
'Cause I realize I need you in my life
In this relationship we spend a lot of time
Now it would be wrong if everything was always fine
Girl, I know we've had our shares of ups and downs
But it doesn't mean that we can't work this out
Oh baby girl, I care, yeah you know I do
'Cause every time I close my eyes I see you
(I see you)
And how I wanna live my life with you
There is no one else, you're all I need and all I want
The only one I'll ever love
I still love you babe
('Cause without you there's no me)
I'm still for you girl
(Even though we disagree sometimes)
I'll never leave you baby
(I'll never leave you baby)
'Cause I realize I need you in my life
No, oh girl, I know I need you baby
'Cause every time I close my eyes I see you

Now I see you girl
(I see you)
And how I wanna live my life with you
(You know I do)
There is no one else, you're all I want and all I need
The only one I'll ever love
I still love you babe
('Cause without you there's no me)
I'm still for you girl
(Even though we disagree sometimes)
I'll never leave you baby
(I'll never leave you baby)
'Cause I realize I need you in my life
(I realize, I realize, yeah)
I still love you babe
(I realize I need you)
I'm still for you girl
(There ain't nothing I won't do)
I'll never leave you baby
(You can always count on me because)
'Cause I realize I need you in my life
(I realize I need you in my life)
I still love you babe
(Baby there ain't nothing I won't do)
I'm still for you girl
(Girl it's all, girl it's all about you)
I'll never leave you baby
(I'll be right here because)
I realize I need you in my life
[Incomprehensible]
