

Love Is a Sometimes Thing

[Jan Howard](#)

Love is a sometimes thing
Yes, your love is a sometimes thing
It comes and goes like winter and spring
Yes, your love is a sometimes thing You told me that you would always car
In time of need you'd always be there
But lately baby, I've seen so little of you
Makes me wonder just what you been up to Love is a sometimes thing
Yes, your love is a sometimes thing
It comes and goes like winter and spring
Yes, your love is a sometimes thing Love is a sometimes thing
Yes, your love is a sometimes thing
It comes and goes like winter and spring
Yes, your love is a sometimes thing
