Only the Strong Will Survive

King Kobra

Someday you'll find you're left behind
You can't keep up, life's moving on too fast
You're hunted down, we don't mess around
We cut you out, you know you'll never lastYou can't keep up with the runnin' & hidin'
You tell yourself that you can't take no more
Time's running out, they say you'll never last
You'll soon find out that
Only the strong will survive
Stuck in a hole, you've lost control
All of your pride just trash you hold on to
The time has come, the strong have won
The weak are gone, they have conquered you
You can't keep up with the runnin' & hidin'
You tell yourself that you can't take no more
Time's running out, they say you'll never last
You'll soon find out that
Only the strong will survive
On your blood we thrive
Only we'll surviveCompositor: Bruse Vitale / Jay Mezias / Mike Vescera
