

# The Clapping Song

Kate Sullivan

Lets go  
Lets go  
Come on 3, 6, 9  
The goose drank wine  
The monkey chew tobacco on the straight car line  
The line broke, the monkey got choked  
And they all went to heaven in a little rowboat Clap pat, clap pat, clap pat, clap slap  
Clap pat! Clap your hand  
Pat it on your partners hand, right hand  
Clap pat! Clap your hand  
Cross it with your left arm  
Pat your partners left palm Clap pat! Clap your hand  
Pat your partners right palm  
Clap slap! Clap your hand  
Slap your thigh and sing a little song  
Go My mama told me if I was lucky  
That she would treat me  
If I was goody  
My aunty told her, I should act older  
No I'm not kidding  
That's what she told her 3, 6, 9  
The goose drank wine  
The monkey chew tobacco on the streetcar line  
The line broke, the monkey got choked  
And they all went to heaven in a little rowboat Clap clap  
Clap your hands and prepare to pat Clap  
Take your right arm  
Pat your partners palm with your right palm  
Clap  
Take your hand back and clap Clap  
Take your right arm  
Cross your right arm with your left arm  
Pat your partners left palm with your left palm  
Clap  
Now back with a clap Take your hand to your palm and slap your thigh  
And watch the fun materialize  
As you sing this little song My mama told me if I was lucky  
That she would treat me  
If I was goody

My aunty told her, I should act older  
No I'm not kidding  
That's what she told her 3, 6, 9  
The goose drank wine  
The monkey chew tobacco on the streetcar line  
The line broke, the monkey got choked  
And they all went to heaven in a little rowboat  
My mama told me if I was lucky  
That she would treat me  
If I was goody  
My aunty told her, I should act older  
No I'm not kidding  
That's what she told her  
(That's what she told her) My mama told me if I was lucky  
That she would treat me  
If I was goody  
(I don't believe it)  
My aunty told her, I should act older  
(Yeah right)  
No I'm not kidding  
That's what she told her  
(Can you believe it?) 3, 6, 9  
The goose drank wine  
The monkey chew tobacco on the streetcar line  
The line broke, the monkey got choked  
And they all went to heaven in a little rowboat
