

# Timothy

Joe Sullivan

Timothy, I took your place  
Timothy, 'cause such a waste  
Timothy, we found your spaceship  
Timothy, it's the farthest you've ever flown  
Never used your head  
To find out what this whole thing meant  
It's not what it seems but it is  
Timothy, where have you been?  
Timothy, where have you been?  
Timothy, where did you go?  
Timothy, the boy can throw  
Timothy, we found your spaceship  
Timothy, did it hurt when you hit the ground?  
Never used your legs  
To walk round in this whole big mess  
It's not what it seems but it is  
Timothy where have you been?  
She cried in the kitchen to let you go  
Timothy, where have you been?  
Missed your photo  
Missed your birthday too  
Missed your photo  
It's not what is seems but it is  
Timothy where have you been?  
She cried in the kitchen to let you go  
Timothy, where have you been?  
Missed your photo  
Missed your birthday too  
Missed your photo  
Missed your birthday too
