

# Stars Dance

## Official Selena Gomez

Wake up to your dreams  
And watch them come true  
I'll make you whisper my name, and never leave the room  
Night and day, i'll be your muse  
No other girl can make you feel the way I do  
I can make the stars dance  
Light up the moon, I can make the stars dance  
If you want me to  
The sky is everywhere, so meet me under there  
I can make the stars dance dance dance for you  
Don't be afraid, close your eyes  
Let me take you to places you've never been tonight  
I thought by now you'd realize I can do anything I put my mind to  
I can make the stars dance  
Light up the moon, I can make the stars dance  
If you want me to  
  
The sky is everywhere, so meet me under there  
I can make the stars dance dance dance for you  
Everything I touch turns to love  
Everything I do will open up heaven  
Instead-stead-stead of us falling, we're flying in love  
Nothing's forever because we are just star dust  
I can make the stars dance  
Light up the moon, I can make the stars dance  
If you want me to  
The sky is everywhere, so meet me under there  
I can make the stars dance dance dance for you  
I can make the stars dance  
I can make the stars dance  
I can make, I can make, I can make the stars dance  
The sky is everywhere, so meet me under there  
I can make the stars dance dance dance for you
